What is Spirit?

Spirit is more than a word. It's life lived to the fullest - It's a room full of young people excited for a game. It's people relating to each other - sharing ideas & warm feelings.

It's the sparkle in a child's eyes & the heartbeat of a horse running free! It's walking in the sunshine & laughter in the rain. It's girls giggling & crying with each other. It's guys patting each other on the back after their 1st game of the year. It's a one day messes locker decorations & posters.

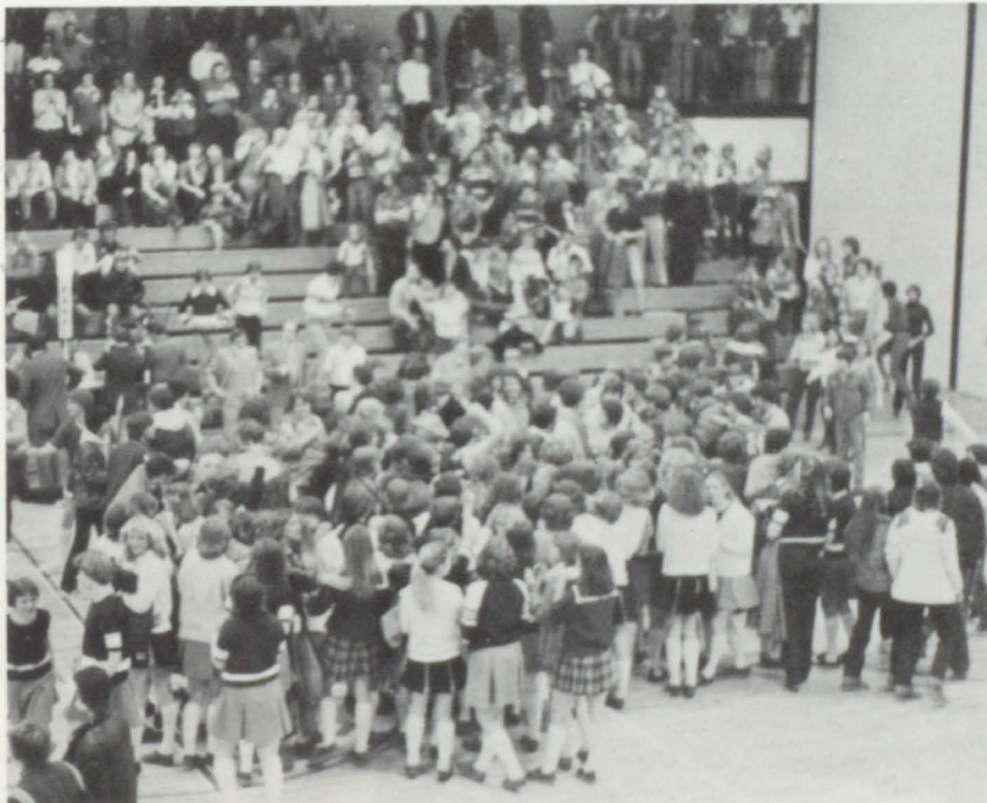

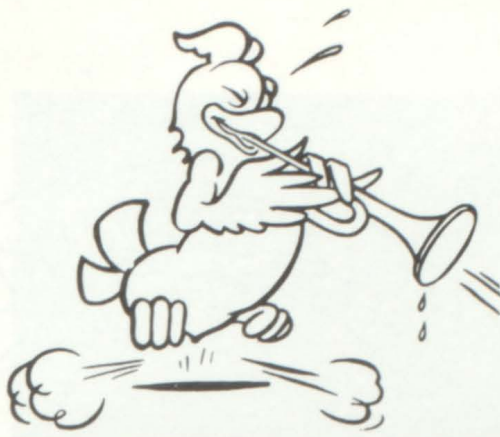

It's praying & singing together.

Spirit is a unified school, working for a certain goal.

Spirit is SCOTUS

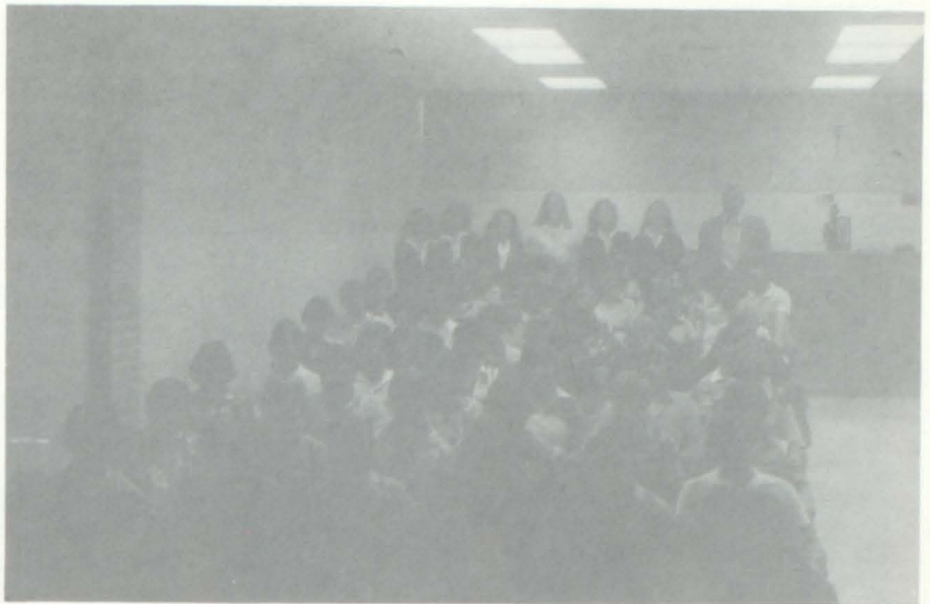

Spirit is here!

Grab it while you can!
