Senior Retreat

The senior retreat at Camp Luther was a memorable experience for the class of 1986. The activities of the day ranged from playing motorboat to celebrating Mass. As the retreat came to a close, all of the seniors received an inspirational letter from one of their teachers. Although the day was fast moving, there was also time for reflecting and praying. The day will be remembered by all of the seniors after they have gone their separate ways.

Seniors spend time sharing and reflecting.

The seniors of '86 found other ways to pass study hall time since open campus was revoked. Some helped keep the school looking sharp, while others helped out in the central office. A few passed the time by making funny faces, while others wrote letters to loved ones.

Campus Ministry

Campus ministry was a very busy organization during the 1985-86 school year. During the summer months, the garden in the courtyard was tended to. For Thanksgiving, the Campus Ministry team led a successful food drive, collecting some 450 cans and giving them to the poor.

During Celebrate Life Week, the Campus Ministry team decorated the walls and lockers for the occasion, and sponsored two guest speakers, one who was a former Scotus student, Tony Kurtenbach. The week's finale was a successful all-school mass. The team also hosted tape dances during the year.

The National Honor Society started the school year with the induction of new members. During the month of December the National Honor Society was involved in Christmas caroling for the elderly in the Catholic parishes. Another event which was first introduced this year was the computer dating fun, where the students filled out a questionnaire, and the computer evaluated them, and sent back a sheet listing ten opposites that they would be the most compatible with. This brought about much laughter and shock to some, and was a welcome diversion to all from the long third quarter. In March, the National Honor Society provided snacks for the teachers during the day during Teacher Recognition Day. They also sponsored a live band, the Deal, at a school dance.

Astronomy compels the soul to look upwards and leads us from this world to another — Pluto.

Most people realized the importance of the month of January. This was the month that Halley's Comet said "hello" to the world from many hundred million miles above, presenting us with a beautiful light display. Scientists, astronomers, and even the stargazer hobbyist fine tuned their telescopes and used them as a spectacle into the heavens. Newspapers, magazines, the news, and special programs befuddled the public with a menagerie of media and pre-event hype on the subject.

Halley's Comet was not always viewed as a beautiful creature and

mystifying element, however. In ancient times, noted tribal leaders feared the coming of Halley's Comet; they thought the comet would bring about doom and their civilizations would perish. The famous Attila the Hun, fierce tribal leader of the Mongloid Empire in the mid-400 A.D.'s thought Halley's Comet would mark the end of the world. Even Pope Calixtus III of ancient Rome doted the comet as 'an agent of the devil.' There is also some talk that Halley's Comet was the bright star seen by the Three Wise Men.

Thespians

The 1985-86 year proved to be another successful one for the Thespians. In December four new members were inducted after following a week of initiation. On May 7th, the Thespians attended a dinner theater at the Firehouse Opera in Omaha.

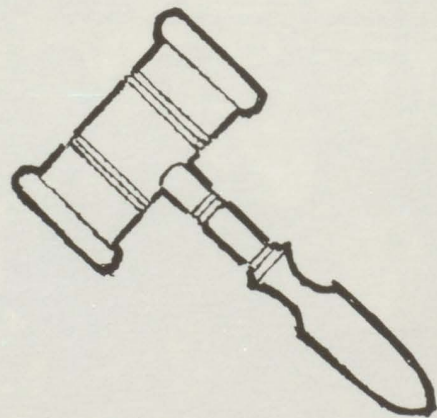

Mock Trial

The Scotus Mock Trial Team had a very exciting and successful year. They competed in two competitions in the 21st Judicial District and were defeated, thus nullifying them from state competition. This was the first time that Scotus had not qualified for state competition.

Homecoming

September 27 marked the date of the 1985 Scotus Homecoming. The festivities were sparked off with a spirit week celebrating shade 'em out; sock it to em, opposite sex day, backwards day, celebrate day, and the traditional green day.

It was a crisp cool Homecoming night as Scotus defeated Crete in a 27-0 victory.

After the game, the coronation was held in the Scotus Memorial Hall gym. The candidates made a grand appearance as they walked on to the stage. The crowd was filled with tension and anxiety as last year's royalty, Patty Niedbalski, Mark Krings and the crown bearers, Cecily Schroeder and Thad Ricek followed the candidates down the aisle.

A roaring applause broke the silence as Karl Hroza and Gina Sutko were crowned the new king and queen.

Following the coronation was the Homecoming dance. The theme was "Cherish The Moments" with music provided by Knights of the Round Table.

The 1985 football season ended in disappointment, but had very bright moments. For the second straight year the Shamrocks qualified for the state play-offs and held the state's longest winning streak at 25 games before losing to Aurora 21-7 in the second round of the play-offs.

The team had high expectations of returning to the top once more with the good leadership from the seniors. Each week seemed more and more promising, but with a rash of injuries the dream came crashing to a halt. To the team it will be remembered as the season that was so close, yet so far.

To the seniors who worked so hard over the past three seasons, the last six years will be remembered as one of their finest accomplishments.

The Shamrocks ended with a 10-1 record and will always be remembered by those who shared in the accomplishments.

With the team motto of "Gopher" the girls did "go for it" as they accomplished what they set out to do. Mr. Petersen said, "Our major goal was to play in the state tournament. If we got there, we wanted to do something."

Recognized on this year's team were: Kelli Martin, Most Valuable Player; Amy Miller, Most Improved; Mic Ruzicka, Most Enthusiastic; Kelly Nicolas, Best Defensive Player.

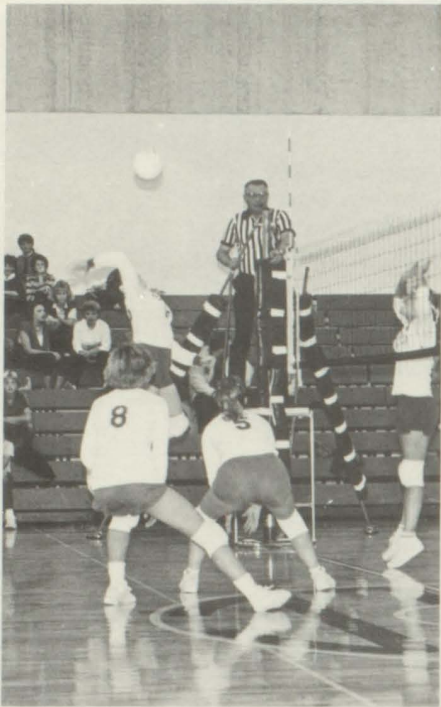

Team unity was the key to success, as 16 team and individual records were broken. The most important honors were the many team honors:

Cross Country

The 1985 boys' and girls' cross country teams finished the year successfully by winning meets, duals, and a trip to the state meet.

The boys were led by seniors Dave Rhode, and John Riley. The Shamrocks won the annual Lakeview-Aquinas-Scotus triangular as well as their Nebraska Conference and district meets. Due to their district win, they preceded on to state where they finished 16th.

The girls' cross country team was led by juniors Carrie Starosik and Tara Zurlein. The team placed first at the Scotus Invitational, North Bend Dual, Albion Invitational and the district meet. This was the first district meet win for a girls team at Scotus.

They placed 5th at the state meet which was the best showing for a boys' or girls' team in Shamrock history. Annette Sueper led the girls' team at state with a 17:18 time and 22nd placing.

As the year came to an end and the yearbook was finally finished, the journalism staff felt a great sense of accomplishment. Everyone always seemed to be busy working on pages and seldom did we have a free moment. For the seniors, the year flew by and before we knew it, graduation day was upon us.

When things got tense in the cramped journalism room, we always had our Sears Com/trek radio and Gina Liebig's refreshing laugh to relieve the tension. Gina always entertained in some way, either by telling jokes or playing patty-cake on the heater with the window open. New pants for the girls, ripped sweaters, and Travis and Matt's problems on the organizations pages always seemed to be a hot topic of conversation. Scott Heimes did a commendable job with photography.

We chose our cover, designed after the KIZZ album "Rock 'n Roll Over" and our theme "SCC on Tour, '86", because music and socializing was a big part of the year. The class has a common denominator of a love of music. The cover design was done by senior Jerry Zywiec. Personal thanks are extended by the Journalism class for the long hours Jerry spent on the design. The divider pages and class pages were done by Amy Liebenritt, Gina Liebig, and Carla Podraza. Dances and senior pages were done by Dave Rhode, Michelle Quattrocchi, Jill Reiser, and Steve Merrill. Organizations were done by Matt Hansen and Travis Kluck. Sports pages were completed by Mark Love and Scott Heimes.

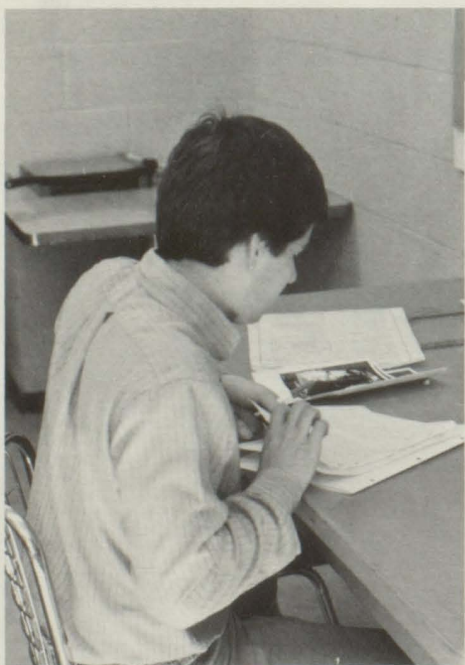

Even though many things seemed to get misplaced or even thrown away, and deadline always seemed to be tomorrow, we all worked hard to make a great yearbook. Thanks to Mrs. Bstandig for all her help along the way. We hope you enjoy it.
