www.scotuscc.org 2020-21 Columbus, NE 68601

## Message from the President

The 2020-21 school year began with the motto of “Stronger Together”. That motto would be tested throughout the year as we worked to manage all the issues the pandemic created for providing in-person learning. The fact that we were able to stay open the entire school year is a credit to the students and staff at Scotus Central Catholic. I am extremely proud that we were able to offer all our students and especially our seniors a near as normal school year as possible. This was also made possible by switching to a 1:1 model for students and laptops. Through the generosity of our supporters and money provided by the federal government and the state of Nebraska we have been able to upgrade our technology and its availability to our students and staff.

The 20-21 school year also saw Scotus Central Catholic run a very successful SEF 16 campaign. As you know this is our major fundraiser every three years designed to keep our tuition affordable for our families. We are currently at 96% of our \$1,275,000 goal. This allowed us to make some improvements to the gym floor in the Dowd Activity Center and install LED lighting throughout our building. The campaign also provides \$335,000 of assistance to the general budget each year. Over 730 individuals and businesses pledged to support this campaign. Thank you!

Looking back, we know that being “Stronger Together” helped us get through a difficult year. Our focus is clearly on the future as we continue to build a faith community that can put the pandemic in our rear-view mirror. That focus will be to Know Him. Love Him. Serve Him. Please keep our school and its mission in your prayers and we are thankful for all your support.

Jeff Ohnoutka, President

*Patti Salyard was named the 2021 winner of the Scotus Central Catholic Outstanding Service Award.*

## 2020-21 FUNDRAISING / DONATION INCOME

### SEF 16

The very first Scotus Education Fund drive (SEF 1) began in 1969 with the goal of providing a resource to keep tuition as low as possible for our school families. Traditionally the SEF campaigns have involved three-year pledges. SEF 16 launched in the fall of 2020 with a goal to raise \$1,275,000 to support tuition assistance for three school years (\$1,050,000), underwrite school safety improvements and COVID response measures (\$100,000) and to replace the Dowd Activity Center floor (\$125,000.) As of 6/30/2021 pledges totaled \$1,224,627 (payable over the calendar years 2021-2023.) The one-year extension drive for SEF 15 named SEF 15E generated pledges for the 2020 calendar year of \$345,471 and despite the challenges of the pandemic, pledge payments totaled \$345,711 – exceeding the amount pledged.

### ANNUAL GIFTS

Scotus received annual gifts between 7/1/2020 and 6/30/2021 totaling \$74,820.38. \$24,000.00 was directed to the endowment to establish the new Henry & Betty Heimann Scholarship, and another \$17,665 was collectively added to five other existing endowed scholarship funds and \$20,000 was restricted for the bus fund. Other donations included: \$10.00 to unrestricted endowment, \$10,945.35 to annually funded scholarships and the scholarship fund, \$1,154.85 to support 3 premium payments for life insurance policies donated to the school, \$344 for campus ministry, \$326.22 for girls' basketball, \$800.00 for the STEAM Lab, \$300 to support vocal music, band, and art, \$150.00 for speech/one-act, and \$150.00 was unrestricted. The school received hand towels to use for disinfecting surfaces in the pandemic valued at \$979.81 and a large supply of disinfectant wipes and hand sanitizer. The school also received a \$9,000 gift, restricted for technology and the athletic program, from the estate of the late Chad Swierczek '89.

*The 2020-21 school year saw a continuation of unique challenges from the COVID-19 pandemic, including teaching both in the classroom and through E-Learning and managing the fluid COVID response directives from the health district. Committee work and professional development continued, when possible, on the school improvement process.*

*Due to the pandemic, faculty and students wore masks in the classroom and at activities until the last 10 days of school.*
