

Dear Parents,

Enrollment has begun for the 2025-2026 Preschool year. If you are interested in one or more of the programs listed below, please complete the attached registration form and return it to the preschool. A **\$150 fee per child** needs to be returned with the form to guarantee your child's **preschool** spot. The Director will contact you if your child is not able to get into the class that was signed up for. A letter will be sent out to you in mid-July to inform you of which class/Teacher your child is in, when the Open House and first day of school is. The \$150 fee is a non-refundable fee. The \$50 will go towards the registration fee and the \$100 will go towards your child's first month tuition next school year. There is an additional registration fee for families that enroll their child(ren) in the childcare program. This fee is **\$50 per family** but will be collected once your child starts **childcare**.
