

St. Bonaventure's Summer Preschool 2025

St. Bon's is offering two weeks of Summer Preschool this year for 3-6 year olds(those that have not attended Kindergarten yet) and those that **are** potty trained. An Enrollment form is attached. These weeks will include pertinent activities to help your preschooler(s) retain what they have already learned as well as learn new skills to further their development. The classes are open to any preschool child in the community, and will be taught by Cheryl Drozd from our staff. Paper Enrollment Form or the online version are due with the fee by Friday, May 9 so we can see if we have enough children to hold the camps. Spots can fill up quickly, so check your calendars and return a.s.a.p. The online registration can be found at columbus-catholic.org. Click on St. Bonaventure School, the Preschool information tab, and the link is called Summer Preschool Enrollment. If you are new to Brightwheel, you will have to create an account. You will be billed for the registration fee once you have been accepted into the camp.

Our themes for Summer Preschool Classes this year is:

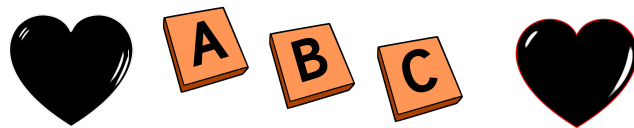

S.T.E.M. Explorers will be Monday-Thursday,

June 23-26 9:00-11:30 a.m. Spark your child's curiosity with science, technology, engineering, and math this summer! We will do simple experiments, build with various blocks, and make slime! We will encourage problem solving and explore various materials too. Don't miss out on a fun week of learning and experimenting!

Fairytale Fantasy will be Monday-Thursday,

July 14-17 9-11:30 a.m. We will immerse the students in fairy tales with costumes, story telling, and creating fun magical creature crafts. Children will have the opportunity to create crowns, build block castles, and help bring their favorite stories to life.

The fee is \$60 per camp and camper which includes materials and snacks. Class sizes will be limited to 10 children. Extra Days/Hours of Child Care may be added with permission from the director. Forms including an enrollment form, release form, immunization records, and permission for walks in the neighborhood are required (if not already on file). Payment must be included with the enrollment form. Minimum number is 6 per class. We will refund the fee if we do not meet enrollment minimums.
